MANAGEMENT'S RESPONSIBILITY FOR THE NON-CONSOLIDATED FINANCIAL STATEMENTS

The non-consolidated financial statements of the Resort Municipality of Stanley Bridge, Hope River, Bayview, Cavendish and North Rustico are the responsibility of management and have been prepared in accordance with Canadian Accounting Standards for the Public Sector. A summary of the significant accounting policies are described in the non-consolidated financial statements. The preparation of non-consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current period cannot be finalized with a certainty until future periods.

To meet its responsibility, management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

Mayor and Council meet with management and the external auditors to review the non-consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the non-consolidated financial statements.

The non-consolidated financial statements have been audited by MRSB Chartered Professional Accountants Inc., independent external auditors appointed by the Municipality. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the non-consolidated financial statements.

On behalf of the Resort Municipality of Stanley Bridge, Hope River, Bayview, Cavendish and North Rustico:

Mayor

INDEPENDENT AUDITOR'S REPORT

To the Mayor and Councillors of the Resort Municipality of Stanley Bridge, Hope River, Bayview, Cavendish and North Rustico

Opinion

We have audited the non-consolidated financial statements of the Resort Municipality of Stanley Bridge, Hope River, Bayview, Cavendish and North Rustico (the Municipality), which comprise the non-consolidated statement of financial position as at March 31, 2022, and the non-consolidated statements of operations, changes in net financial assets and cash flows for the year then ended, and notes to the non-consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying non-consolidated financial statements present fairly, in all material respects, the financial position of the Municipality as at March 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian Accounting Standards for the Public Sector.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Non-Consolidated Financial Statements section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the non-consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Non-Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the non-consolidated financial statements in accordance with Canadian Accounting Standards for the Public Sector, and for such internal control as management determines is necessary to enable the preparation of non-consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the non-consolidated financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

(continues)

Auditor's Responsibilities for the Audit of the Non-Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the non-consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these non-consolidated financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the non-consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the non-consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the non-consolidated financial statements, including the disclosures, and whether the non-consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**RESORT MUNICIPALITY OF STANLEY BRIDGE, HOPE RIVER, BAYVIEW, CAVENDISH
AND NORTH RUSTICO**

Notes to Non-Consolidated Financial Statements

Year Ended March 31, 2022

1. DESCRIPTION OF BUSINESS

The Resort Municipality of Stanley Bridge, Hope River, Bayview, Cavendish and North Rustico ("the Municipality") was incorporated under the Municipalities Act of Prince Edward Island. The Municipality is a non-profit organization under the Income Tax Act and accordingly is exempt from income taxes, provided certain requirements of the Income Tax Act are met. Its principal activities include the provision of local government services to residents of the incorporated area.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The non-consolidated financial statements of the Resort Municipality of Stanley Bridge, Hope River, Bayview, Cavendish and North Rustico are the representations of management prepared in accordance with Canadian Accounting Standards for the Public Sector.

The non-consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it is earned and measurable. Expenditures are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used for certain programs and in the completion of specific work. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the year when the related expenditures are incurred, services are performed or the tangible capital assets are acquired.

Cash

Cash is comprised of unrestricted, internally restricted and restricted balances on deposits with banks and short term indebtedness.

Accounts receivable

Accounts receivable arise from government funding receivable, Harmonized Sales Tax receivable and other miscellaneous receivables. An allowance for bad debts has been calculated through discussions with management, assessment of the other circumstances influencing the collectibility of amounts, and using historical loss experience. Amounts deemed uncollectible are written off and deducted from the carrying value of the receivable. Amounts subsequently recovered from accounts previously written off are credited to the allowance account in the period of recovery.

RESORT MUNICIPALITY OF STANLEY BRIDGE, HOPE RIVER, BAYVIEW, CAVENDISH
AND NORTH RUSTICO

Notes to Non-Consolidated Financial Statements

Year Ended March 31, 2022

2. SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Tangible capital assets

Tangible capital assets are stated at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized over the useful life on a straight-line basis as follows:

Street lights	25 years
Land improvements	20 years
Leasehold improvements	20 years
Sidewalks and trails	20 years
Heritage Park	20 years
Boardwalk	15 years
Fencing	10 years
Equipment	10 years
Signage	5 years
Computer equipment	5 years

The Municipality regularly reviews its tangible capital assets to eliminate obsolete items.

Intangible assets

Intangible assets are recorded at cost and amortized on a straight-line basis over their estimated useful lives.

Impairment of long lived assets

The Municipality tests for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Recoverability is assessed by comparing the carrying amount to the projected future net cash flows the long-lived assets are expected to generate through their direct use and eventual disposition. When a test for impairment indicates that the carrying amount of an asset is not recoverable, an impairment loss is recognized to the extent the carrying value exceeds its fair value.

Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for the use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the annual surplus, provides the consolidated change in net debt for the year.

Government transfers

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return.

Government transfers are recognized in the non-consolidated financial statements as revenue in the year in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates on the amounts can be determined.

(continues)

RESORT MUNICIPALITY OF STANLEY BRIDGE, HOPE RIVER, BAYVIEW, CAVENDISH
AND NORTH RUSTICO

Notes to Non-Consolidated Financial Statements

Year Ended March 31, 2022

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in surplus. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issuance of financial instruments that are subsequently measured at amortized cost are shown as an adjustment to the carrying value of the related financial instrument.

Revenue recognition

Property tax billings are based on the assessed value of real property in the Municipality and are payable in each calendar year. Municipal tax rates are reviewed, established, and approved annually by the Council. These revenues are recognized when received monthly from Province.

The Municipality follows the deferral method of accounting for revenues. Restricted contributions are recognized as revenue in the year in which the related expenditures are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Interest revenue is recognized on a time proportion basis.

Measurement uncertainty

The presentation of the non-consolidated financial statements in conformity with Canadian Accounting Standards for the Public Sector requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the non-consolidated financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future. The following are areas in which management makes significant accounting estimates:

- The amounts recorded for amortization of tangible capital assets on the non-consolidated statement of operations and schedules is subject to management's assessment of the estimated useful life of the Resort's tangible capital assets;
- The recognized amounts of potential claims and liabilities depend on management's assessment of future costs and the probability these events will occur.

3. ACCOUNTS RECEIVABLE

	<u>2022</u>	<u>2021</u>
Government funding receivable	\$ 275,981	\$ 35,370
HST receivable	20,881	18,505

13. BUDGET FIGURES

A reconciliation of the 2022 fiscal operating budget prepared by Council to the budget figures disclosed in the consolidated financial statements is as follows:

	2022
Resort Municipality budgeted annual surplus	\$ -
Deduct: Prior year surplus	(157,102)
	\$ (157,102)

**RESORT MUNICIPALITY OF STANLEY BRIDGE, HOPE RIVER, BAYVIEW, CAVENDISH
AND NORTH RUSTICO**

Notes to Non-Consolidated Financial Statements

Year Ended March 31, 2022

14. RELATED PARTY TRANSACTIONS

During the year, Resort Municipality of Stanley Bridge, Hope River, Bayview, Cavendish and North Rustico received administrative fees in the amount of \$20,480 (2021 - \$20,731) and paid sewer fees of \$524 (2021 - \$733) to the Cavendish Sewer Utility, a related party.

These transactions are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

15. FINANCIAL INSTRUMENTS

The Municipality's financial instruments consist of cash, restricted cash, accounts receivable, funds held in trust, accounts payable and accrued liabilities, security deposits payable, and long term debt.

The Municipality is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Municipality's risk exposure and concentration as of March 31, 2022.

(a) Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Municipality is exposed to credit risk from customers. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The Municipality has a significant number of customers which minimizes concentration of credit risk.

(b) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Municipality is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources, long term debt, and accounts payable.

16. SUBSEQUENT EVENTS

In March 2020, the World Health Organization declared a global pandemic due to the novel coronavirus (COVID-19). The situation is constantly evolving, and the measures put in place are having multiple impacts on local, provincial, national and global economies.

The overall effect of these events on the Municipality and its operations is too uncertain to be estimated at this time. The impacts will be accounted for when they are known and may be assessed.
